

**CANDIDATE FOR MAYOR
CITY OF ADELANTO**

NAME: JIM NEHMENS

AGE: 49

OCCUPATION: Incumbent

When I was fortunate enough to be elected as Mayor in 2004, I promised to work hard to attract industry, commerce, and retail. I have kept those promises.

Over the past two years, we have seen the opening of two shopping centers, which are experiencing tremendous success. In those centers we have attracted major businesses like Starbucks, Longs Drugs, Del Taco and Stater Bros. There's more to come. I continue to work tirelessly to attract businesses to Adelanto. We have also attracted industry to Adelanto. Our industrial parks are completely occupied with businesses, and the city receives daily inquiries into the space availability. Many businesses in the Inland Empire have expressed interest in moving their operations to Adelanto. Residential growth is at an all time high.

I believe I have fulfilled my commitments thus far, but there is more work to be done. Adelanto is moving forward, due in part to consistency in our government. If re-elected Mayor, I promise to continue to market our city and encourage residential, commercial and industrial growth to bring us the tax dollars needed to continue to bolster our police and fire departments, improve our streets, drainage, and build more parks.
